

Ventilator CART

WITH IV POLE

LogiQuip® Ventilator Cart with IV Pole provides a mobile and durable work station. Constructed from medical grade stainless steel and chrome plated steel, these carts are easy to clean.

STAINLESS STEEL WORK SURFACE

The LogiQuip Ventilator Cart comes standard with a medical grade Stainless Steel work surface providing a strong, easy-to-clean work surface, built-to-last.

DOUBLE CHROME PLATING

The wire basket, shelf, handle, and round posts are all Double Chrome Plated providing strength and durability.

ADJUSTABLE IV POLE

The Adjustable IV Pole is constructed of Chrome Plated Steel and can be raised or lowered based on need. In addition, it attaches directly to the cart and will hold up to two (2) IV fluid bags.

MOBILE & COMPACT

The Ventilator Cart has a small footprint and is available in two (2) sizes: 24" W x 18"D and 24" W x 24"D. This cart moves easily on four (4) Polly Swivel Castors; two (2) have brakes.

FULLY CUSTOMIZABLE

The LogiQuip Ventilator Cart comes standard as shown, however with a variety of accessories, our ventilator cart is fully customizable. Add a basket, LQS shelves or stainless steel shelves to meet your specific needs.

1-YEAR WARRANTY

LogiQuip equipment and parts are warranted to be free from defective material and workmanship for one year from installation under normal use and service. Visit LogiQuip.com for more details.
